

**AMENDMENT 2**

by Peter Liese, John Bowis, Margie Sudre, Antonios Trakatellis, Sérgio Marques, Duarte Freitas, on behalf of the PPE-DE Group

**Report**

**A6-0201/2006**

**Caroline Lucas**

Reducing the climate change impact of aviation

Motion for a resolution

---

Paragraph 10a (new)

**10a.** *Asks that special attention be paid to the situation of the most isolated territories which are particularly dependent on air transport services, and especially to insular or outermost regions, where alternative solutions are limited, or do not exist;*
